Summary

I can make technical drawings and read them. I quickly learn applications such as AutoCad. I have knowledge in ms office applications

Experience

Intern Engineer

Taü-Alf-İka

09/2022 - Current

İstanbul, Beykoz

- As the head of the electrical and electronics department of our team, I was responsible for the electrical scheme and autonomous control of our autonomous vehicle. I made volt watt and current calculations for the car to work properly.

Intern Trainee

Kültüroğlu mühendislik

07/2022 - 08/2022

İstanbul, Beykoz

- I learned to draw electrical installations with autocad, as well as to use tinkercad and Ms jobs.

Intern Trainee

Türkisch Deutsche Universität

06/2022 - 07/2022

İstanbul, Beykoz

I learned the use of basic electrical and electronic materials. I made fused circuit wiring and presented it as a report.
